Financial Reports

Mr. Burroughs presented the financial reports which covered operational expenses and payroll for the Downtown, Tiger River, and Cherokee County Enterprise campuses. The Downtown campus reported operational expenses under budget, with revenue including county allocations and rental income primarily from Viking Early College. The Tiger River campus also operated under budget, with some maintenance-related overages. Cherokee County campus expenses slightly exceeded the budget due to property acquisitions and elevator maintenance, highlighting challenges with older elevator systems requiring modernization. Payroll expenses discussed were strictly operational staff, excluding instructors, with plans to improve the budget.

Chairman Keller opened the floor for questions or comments. None were put forth.

Chairman Keller called for a motion to approve the Financial Reports.
