Spartanburg Community College

WHO WE ARE

The Spark Center was established in June 2006 to ignite economic growth in Spartanburg County and to serve as a catalyst for business and entrepreneurial development.

Since inception, the Spark Center SC has assisted more than 150 companies with more than 125,763 jobs created and generated over \$4.1 Billion in economic output throughout the state.

Features:

- Promotes collaboration between economic development organizations, business, and local, state, and federal governments
- Strategically located near the intersection of I-26 and I-85 in a foreign trade zone with access to the SC Inland Port
- Provides nearly 400,000 square feet in a multi-use facility including Class A office space

- Accommodates multiple start-ups and growing businesses
- Features space for new ventures, expansions relocations, beta testing, and light manufacturing
- Provides recruiting, hiring, and training assistance to qualified companies

Soft Landing Program

Provides furnished office space and basic services for qualifying domestic and foreign companies who intend to assess the market or start new operation in Spartanburg County.

Workforce Employment Services

Provides recruiting hiring and training assistance to qualified companies, in partnership with SC Works and readySC.

Small Business Incubator

Services position new start up businesses for greater success by providing the foundation needed to get started through collaboration with supporting agencies. Organizations including the Small Business Development Center and SCORE are located within the Spark.

Special Projects

Provides space that may be used to beta test a new product line or manufacturing process or even serve as a temporary warehousing of inventory.
